## Skills Building

Build a model that will get you to Australia package of bricks in front of you.

3 minute build

Using the plate as your first piece

And a flower as your last piece

BUILD A MODEL OF WHAT  
YOUR FIELD OF WORK  
LOOKS LIKE WITHIN YOUR  
CURRENT COMPANY.

5 minutes to build

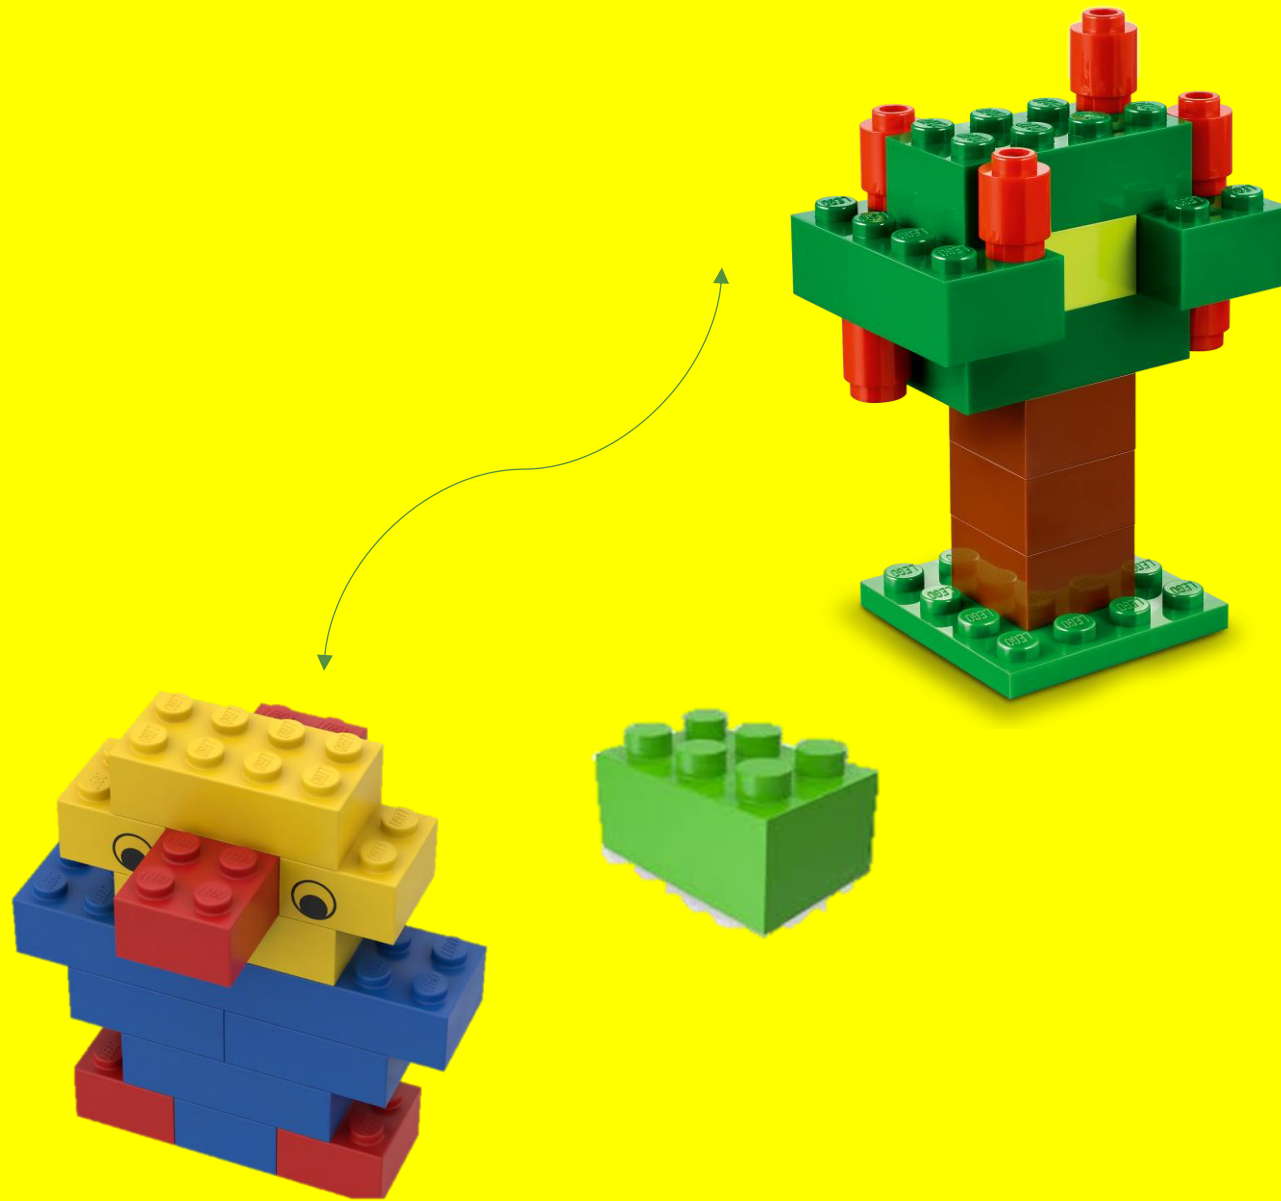

BUILD A MODEL OF WHAT YOU  
WOULD LIKE THE FIELD TO  
LOOK LIKE IN YOUR  
COMPANY AT SOME POINT IN  
THE FUTURE.

5 minute build

# Pathways

1. Arrange your two models in the space in front of you to represent how near or far this core model of right now is away from the ideal future.
2. Build a small a connection model that will help link your current core model to the future one considering what may support/hider the models coming together.

Thank you!
